

U.S. Dental School Prerequisite Directory 2026

State	Dental School	Official Prerequisite Link	Full Required Course List
AL	Univ. of Alabama	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
AR	Lyon College (LCSDM)	Link	Gen Biology I & II (plus one addtl. Biology course), Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, English Comp
AZ	A.T. Still Univ. (ASDOH)	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Human Anatomy, Human Physiology, English Composition
AZ	Midwestern Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy, Biochemistry, Microbiology
CA	California Northstate	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English Composition (1 year), Anatomy, Biochemistry
CA	Herman Ostrow (USC)	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English Composition (1 year), Philosophy/History/Fine Arts (1 year)

CA	Loma Linda Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Calculus I & II (or Stats), Human Anatomy, Biochemistry
CA	UCLA	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, English Composition (1 year)
CA	UCSF	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II (1 sem min.), Physics I & II (all with labs), Biochemistry, Psychology, Social Sciences/Humanities (11 sem units)
CA	Univ. of the Pacific	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy, Physiology, Biochemistry
CA	Western Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English Composition (6 sem units)
CO	Univ. of Colorado	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, Microbiology
CT	Univ. of Connecticut	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry (1 sem), English (1 year)

DC	Howard Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English Composition, Microbiology
FL	LECOM (Bradenton)	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I (only 4 credits req.), Biochemistry, English Composition (6 credits)
FL	Nova Southeastern	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II, Biochemistry, Microbiology, English (6 credits)
FL	Univ. of Florida	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Microbiology, Biochemistry
GA	Augusta Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Human Anatomy, Human Physiology
IL	Midwestern (Downers Grove)	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy, Physiology, Biochemistry, Microbiology, English (1 year)
IL	Southern Illinois (SIU)	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry (3 credits) , English (1 year)

IL	Univ IL Chicago	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, English (1 year)
-----------	-----------------	----------------------	--

State	Dental School	Official Prerequisite Link	Full Required Course List
IN	Indiana Univ.	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy or Histology (with lab), Physiology, Microbiology or Immunology, Biochemistry or Cell/Molecular Biology, Social Sciences, Humanities
IA	Univ. of Iowa	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry (lab not required), Microbiology, English Composition (1 year)
KY	Univ. of Kentucky	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Microbiology, Biochemistry, English (emphasis on communication)
KY	Univ. of Louisville	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English Composition

KY	Univ. of Pikeville (Tanner)	Link	Gen Biology I & II (12 hrs total), Gen Chemistry I & II, Organic Chemistry I & II (or 1 sem Biochem), Physics I & II (all with labs), English Composition & Literature
LA	LSU Health	Link	Gen Biology I & II (12 hrs total), Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, Microbiology, English (9 hrs)
ME	Univ. of New England	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Biochemistry, Microbiology (with lab), Anatomy (with lab), 12 addtl credits in Science/Math, English Comp
MD	Univ. of Maryland	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry, English Composition (1 year)

State	Dental School	Official Prerequisite Link	Full Required Course List (CSS + Additional)
MA	Boston Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Math (Calculus/Stats), English (1 year)
MA	Harvard Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Calculus, Statistics

MA	Tufts Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
MI	Univ. Detroit Mercy	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology , English (1 year). 100 shadowing hours.
MI	Univ. of Michigan	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology, Psychology, Sociology, English (1 year)
MN	Univ. of Minnesota	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry (no lab) , Algebra, English (1 year)
MS	Univ. of Mississippi	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy , Physiology , Biochemistry
MO	Kansas City Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology , Anatomy , Physiology
MO	ATSU-MOSDOH	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy , Physiology , English Composition

MO	UMKC	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Genetics , Cell Biology
NE	Creighton Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English (1 year), Psychology
NE	UNMC	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Physiology
NV	UNLV	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Anatomy or Physiology
NJ	Rutgers	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
NY	NYU	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
NY	Stony Brook	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
NY	Touro College	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry

NY	Univ. at Buffalo	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
NY	Yeshiva Univ. (New)	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all w/ labs), Biochemistry (opening July 2026)
NC	East Carolina Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
NC	High Point Univ.	Link	Gen Biology I, Medical Terminology, Statistics, English Comp, No DAT Required
NC	UNC Chapel Hill	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
OH	Case Western	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
OH	NEOMED (Bitonte)	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I (only 3 hrs req.) , Biochemistry
OH	Ohio State Univ.	LINK	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Human Anatomy, Human Physiology, Microbiology, Biochemistry

OK	Univ. of Oklahoma	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology
OR	OHSU	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
PA	Univ. Pennsylvania	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
PA	Univ. Pittsburgh	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
PA	Temple Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), English (1 year)
PR	Univ. Puerto Rico	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Spanish (1 year), English (1 year)
PR	U. Ana G. Mendez	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Spanish (1 year), English (1 year)
PR	Ponce Health Sci.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all w/ labs), Spanish (12 units), English (12 units), Behavioral/Social Sci

SC	MUSC	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Psychology
TN	Meharry Med.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology
TN	Univ. Tennessee	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
TX	Texas A&M	Link	Gen Biology I & II (14 hrs total), Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all w/ labs), Biochemistry , Statistics
TX	UT Houston	Link	Gen Biology I & II (14 hrs total), Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all w/ labs), Biochemistry , Statistics
UT	Roseman Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
UT	Univ. of Utah	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Anatomy , Physiology , Microbiology , Biochemistry

VA	VCU	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
WA	Pacific Northwest	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs)
WA	Univ. Washington	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , Microbiology
WV	West Virginia Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry
WI	Marquette Univ.	Link	Gen Biology I & II, Gen Chemistry I & II, Organic Chemistry I & II, Physics I & II (all with labs), Biochemistry , English (1 year)
